

Fearless Kitty Rescue 5K Race

Dear Future Partners:

Expanding your company's reach to potential clients is the goal of every business, large and small. [Fearless Kitty Rescue](#) & StartLine Racing have partnered together to offer you the opportunity to obtain this goal.

Fearless Kitty Rescue is a non-profit, no kill rescue that is dedicated to finding homes for homeless and abandoned cats of all ages. The organization is funded one hundred percent by donations and is compiled of dedicated volunteers.

Our mission is to save the lives of stray and abandoned cats and kittens, particularly those being held in high-kill shelters not served by other rescue groups, or those needing rescue from the desert environment, and to provide nurturing transitional care, veterinary and spay/neuter services, behavior training, community outreach and education, and to secure the adoption of those kitties into loving, forever homes.

StartLine Racing is a race management company that owns and/or manages over 70 events annually, StartLine Racing is uniquely positioned to help you reach this valuable consumer group. What makes StartLine Racing different is our commitment to creating the BEST race day experience for EVERY participant, EVERY time.

So how can you get face to face with this fantastic group of potential clients? Simple - become a Fearless Kitty Rescue 5K Race/Walk event partner! Attached is your invitation to join us on March 26th at Scottsdale Sports Complex.

We welcome you to visit our website [Fearless Kitty Rescue 5K Walk/Run](#) to see the fun, excitement, and exposure your company will enjoy.

Sincerely,

Christine Orbeck - christine@fearlesskittyrescue.org
