

## Thank you for participating in the 5<sup>th</sup> Annual Steps for Vets!

The dollars you raise helps U.S.VETS-Phoenix provide shelter and comprehensive services for homeless and at-risk Veterans in Maricopa County.

This year we are adding a fundraising element to the walk which gives everyone a chance to win some awesome prizes. Take a look at the prizes available for fundraisers. Your fundraiser could mean that a homeless Veteran no longer has to sleep on the streets or be evicted from their home.
