Annual Mental Health 5K Fundraiser

ABOUT US

Speak Your Mind is a beacon of hope, a nonprofit organization devoted to mental health, while the Peace of Mind 5K serves as a vibrant community walk/run event, aimed at illuminating awareness and transforming the stigma surrounding mental health. Through the nurturing of community, Speak Your Mind creates a sanctuary for individuals to embrace the beauty of nature and forge connections with fellow souls in uplifting circles. These gatherings offer solace, alleviating the burdens of an overstimulated nervous system and the pangs of isolation—common threads woven into the fabric of mental illness. We believe that when one mind is peaceful and free, we all thrive as a community. We invite you to join us in this vision!
